

2026 SPONSORSHIP PROSPECTUS

World class support for world class performance

ABOUT THE CONGRESS

WISC 2026 will once again unite top-notch researchers, clinicians, and practitioners from across Australia to present ground-breaking research discoveries and share best practices for encouraging and supporting women athletes to excel in sports.

The congress will focus on a series of themes incorporating women and girls in sports, coaching, health and performance, and diversity and leadership.

The event is purposefully scheduled around International Women's Day giving delegates several opportunities to participate in networking events, including a welcome reception and dinner.

When and where

Date: March 8-11, 2026

Location: Brisbane, QLD

Venue: The W, Brisbane

Who will attend?

- Those working with women in sport, coaches, performance support, clinicians, researchers and athletes
- Researchers who are investigating the performance and health of women athletes.
- All sports, all levels of participation, all abilities, all genders.
- Anyone that wants to know the latest in research and clinical practice around women and girls in sport, and how to better support their athletes through valuable networking.
